

NEW PROPOSAL ANNOUNCED

CALIFORNIA CATASTROPHE REINSURANCE PARTNERSHIP

(CCRP)

A Proposal to Protect Homeowners,
Stabilize California’s Insurance Market,
and Strengthen Long-Term Resilience

California Insurance Commissioner candidate Dr. Sean Lee announces a public-private catastrophe reinsurance partnership designed to reduce market instability, expand insurance availability, and protect California families.

- 

PROTECT HOMEOWNERS

Strengthen access to affordable and reliable insurance coverage.
- 

STABILIZE THE INSURANCE MARKET

Reduce volatility and encourage insurers to continue serving California.
- 

PUBLIC-PRIVATE PARTNERSHIP

Leverage the strengths of both the public and private sectors to manage catastrophe risk.
- 

REDUCE PRESSURE ON FAIR PLAN

Improve long-term sustainability of California’s insurer of last resort.
- 

ENHANCE WILDFIRE RISK MANAGEMENT

Support modern modeling, data, and mitigation for a more resilient future.
- 

INCREASE TRANSPARENCY & ACCOUNTABILITY

Strengthen oversight and build public confidence in the insurance system.
